

### Capt. Gale.

Capt. Samuel Gale, who sails and owns the sloop yacht John E.

Mehrer, enjoys the honorable distinction of never being defeated in any yacht race in which he has entered the Mehrer, and has won races in other boats, showing a skill at the tiller which is not to

equalled along the coast. In the summer there is no boat more in demand, a captain more popular about the Inlet district than this scion of one of the oldest seafaring families of Atlantic county.
